

Dear Resident:

Kirk Deighton Parish Council is looking at ways to support those in the community who are isolated/vulnerable while self-isolating during the coronavirus crisis.

The idea is for the Parish Council to set up a data base of volunteers in the Parish who can then be matched with people who need help.

This survey is designed to find out (1) who needs help, and of what kind, and (2) who can provide what kind of help.

If you need help or can offer it, please complete the form below and email a copy (photo attachment) to [parishcouncil@kirkdeighton.com](mailto:parishcouncil@kirkdeighton.com) or post to:

Councillor David Richardson
